

I. HEALTH IMPACT ASSESSMENT

June 29, 2021 / 1:00 pm – 2:00 pm

The Palm Beach TPA is evaluating the impact of the proposed HIA recommendations on each previously identified health indicator. The analysis will compare near-term and long-term improvements in the demonstration areas to the identified health indicator providing evidence-based recommendations to mitigate negative, and maximize positive, health impacts.

AGENDA

- 1) Welcome and Introduction (5 minutes)
- 2) Overview of Study (15 minutes)
 - a) Overview of HIA
 - b) HIA Process & Benefits
 - c) Step 1: Screening
 - d) Step 2: Scoping
- 3) Screening Input (30 Minutes)
 - a) Discussion
- 4) Final Questions (5 Minutes)
- 5) Timeline & Next Steps (5 minutes)
